Contact should be made with the desired location for scheduling of this six-hour class. New personnel previously trained on the DataMaster in Michigan do not need to be retrained. Modifications in the above dates or locations may be necessary depending on actual training needs and the availability of training sites. Class starts at 8:30 a.m., and lunch is provided, at no cost.

All officers attending DataMaster training must have their MCOLES five-digit I.D. number with them for the training to be reported to MCOLES.

Any questions should be directed to the Alcohol Enforcement Unit at (517) 336-6171.
